

Short Report on Recent Efforts

This VIM mission team joined with Mission Possible in Karlovo, Bulgaria to serve in Three Roma Communities

VIM team members raise the funds needed for travel, lodging and food. They take time away from their businesses and away from their families. Your support funds projects for these teams. Together, we all answer the call of God to serve.

Dr Otto Hernandez (kneeling) has evangelized for over 35 years in remote regions of Guatemala while providing free medical clinics. Dr. Otto is about to use a new EKG machine provided in June 2025 by VIM in cooperation with the HUHO Foundation.

Your Support Matters!

Through your participation in fundraising events like this, VIM is able to provide medical & dental supplies and clinics; evangelistic missions; and send financial aid to missionary partners in:

Bulgaria	Costa Rica
Dominican Republic	
Ghana	Guatemala
Haiti	Honduras
Philippines	Republic of Georgia

VIM also supports charitable and ministry efforts across New England and, with Apparel Impact, supports Manchester-based ministries.
