

Two of Our Partners

Nov 2023: VIM team members visited Vitaly & Larissa Ivanov in the Republic of Georgia. The team provided an outreach & evangelism training conference for church leaders. It was our first visit in many years due to Covid and travel restrictions. While physically absent, VIM provided financial support to

sustain this ministry through tough times.

Apr & July 2023: VIM is blessed to partner with Pastor Julian Ramon Matos, and his wife Milagros, founders of Paradise City Foundation near Barahona, DR. VIM teams worked with local doctors, nurses, pastors and community leaders to bring the love of Jesus, medical care, education, and hope to those in need. The goal is to give children in these communities a sense of belonging and foster an environment of respect, values and love for others. Together we all serve hard-to-reach communities in the mountains surrounding Paraiso DR. Pastor Matos is also developing a home & educational/medical/training center where orphans will be raised & instructed in loving Christian foundations until adulthood.

Your Support Matters!

VIM also supports charitable and ministry efforts across New England and works with Apparel Impact aiding Manchester-based ministries.
